//ABOUT ME

I'm a curious and eager **web developer** keen to explore opportunities, develop my skill set and add value to organisations I work with. With a background in **digital, brand marketing, CRM, email marketing, CMS management, project management** and **social media** with brands including **David Jones, Moët et Chandon** and **Lacoste** I bring a wide range of skills that help me look at the 'big-picture' to solve coding problems.

I'm now following my passion for technology, digital and web development to make this a reality.
